A: There are 53 countries in the Commonwealth. The Commonwealth is a voluntary association of independent countries spread over every continent and ocean. Its two billion people, who account for nearly 30 per cent of the world's population, are in Africa, Asia, the Caribbean and Americas, Europe and the Pacific. They are of many faiths, races, languages and cultures.

Message from the Principal

This week, I was fortunate enough to experience my first Luscious Lunches day. Tambar Springs students are very fortunate to have this program in place.

I was thoroughly impressed by the engagement of the students and the organisational skills they demonstrated. I was also delighted to see so many community members make the time to come and engage with wonderful our students. Our next Luscious Lunches day will be held on 6th April .If you have never been or know a community member who has not had the pleasure of Luscious Lunches, I encourage you to come along and bring a friend! I must say a huge thank you to Miss Folley for the extra time and effort she regularly puts in for the children to participate in weekly cooking and in particular the organisation around Luscious Lunches.

The storage Mrs McMaster ordered for the dungeon has arrived and we will be busy working to organise our resources onto the new shelving over the next couple of weeks. Currently the resources which were stored in the dungeon are taking up precious space in our library, so we were extremely excited when the shelving arrived. Keep an eye out for before and after pictures in the next few newsletters. I am amazed at how quickly the term is passing by. Easter will be upon us quickly and we will be having a morning tea and Easter Egg hunt on Thursday 24th March. Please come along and enjoy a light morning tea, and activities with our students and staff. Have a fabulous week!
