Fri 1st Jul	Last day term 2

Attachments:

- In class Acrostic poem on values and thinking of others.
- Flyer—rural and regional school travel.

Luscious Lunches!

School Photos

A Reminder to parents that our school photos are on Tuesday 7th June from 9.00am. Students are to be in full winter uniform.

Making a Solar Oven

Last Thursday the students made a solar oven with Mr Stutch. Below is our procedure:

Our Solar Oven

1. We put apple, eggs, watermelon into paper cups
2. We put glad wrap on top of the containers to keep the heat in
3. We put foil over our cups of food
4. We put our oven in the sun
5. None of the food changed because the sun wasn't hot enough
6. Our experiment didn't work.
7. A better time to do the experiment would have been in summer

Occupational Therapist

We are employing an occupational therapist Mrs Jillian Thompson to work with all of our students, and develop programs where required for them. Our first visit from the OT will be on Wednesday 8th June, with the aim being to ensure all students are able to work to their full potential. Should you wish for your child/children not to take part, please contact the school.

Luscious Lunches

We had our first luscious lunches yesterday, and from all feedback received, the meal was superb! It was perfect weather for soup and quiche, and it great to be able to use so many things from our garden.

Values in Class

On a Thursday the children have been learning about values. This week they have learnt about kindness to others. A class acrostic poem was written, and it is attached to the back of the newsletter for you to have a read. A great deal of time, effort, thought and discussion went into the compilation of this poem. We hope you enjoy as much as we did!

Zone Cross Country Carnival - Mullaley

A huge congratulations to Boe, Phoebe and Lucas for their amazing efforts at last Friday's Zone Athletics Carnival at Mullaley. All three students competed brilliantly, and all came within the top 20 of their group. The results were so great that it earned our school the Small School Handicap Trophy for the second year in a row! Well done to all of you - you certainly made us very proud.

Lucas 2nd
Boe 9th
Phoebe 19th
These results mean that Lucas is eligible to compete at Area Carnival

Speech and Drama Lessons - Gunnedah

Starting tomorrow, after our athletics session in Gunnedah, the students will be attending speech and drama lessons. These lessons will be taught by Mrs Maggie Denman. Gunnedah Public School have kindly offered the use of some space for these lessons. Speech and drama will support the students in developing key skills and understanding from the English and Creative and Practical Arts Syllabus documents. There is no extra charge to parents, as the school is covering the cost of this and the athletics coaching from a grant we have received.
