Coaching

Occupational Therapist

We had our first visit from occupational therapist Mrs Jillian Thompson to work with all of our students, and develop programs where required for them. We look forward to working with the programs and suggestions Jillian has for our students. We also look forward to developing our students' full potential and encouraging their development mentally and socially throughout their primary learning.

Mini Golf

Mr Stutchbury had his first real round of mini golf with the students last Thursday! The procedure that was described to Mrs Vince by the students was:

- We went to dig holes in the playground
- We put tins down in the holes and filled them with sand from the sandpit
- Mr Stutchbury showed us how to use the golf clubs
- We all had a turn putting to the holes, and the plan was to beat Mr Stutchbury!
- The first hole was 10m, the 2nd hole was 15m, and the third hole was 20m.
- The overall plan is to improve on our score each week.

Week One Results

Name	Hole 1	Hole 2	Hole 3	Total

Well done everyone, on your fantastic effort - it will be great to see the improvement in your game over the next few weeks.

June Long Weekend

A reminder to all that Monday 13th June is a Public Holiday, and that there will be no school on that day.

Luscious Lunches

The final luscious lunches for term two will be held in week 10, Wednesday 29th June. We look forward to having you all in the school again. The menu will be a chicken risotto and apple crumble. Menu attached to this newsletter. Please RSVP by Monday 27th June 2016.

Small Schools Athletics Carnival

This year the Small Schools Athletics Carnival will be hosted by Curlewis Public School, and will again be held at Wolseley Park in Gunnedah. We will be practicing our athletics skills on Fridays in town with Mr Frend. The carnival is a great day out for students and their families, and we look forward to you all being there again. A reminder that the carnival is a normal school day, and that attendance is compulsory. Parents will be responsible for taking their children to and from the carnival, as well as for supervision of their children on the day. It is normal that parents may sometimes be asked to help with handing out ribbons or timing events, on the day, so please let us know if you are happy to help out in any way. A permission note is attached, please return it to the school no later than Friday 17th June 2016.

We have been enjoying our athletics coaching in Gunnedah on Fridays!
