Term 4 Week 6

Relieving Principal's Message

This has been a very busy fortnight with many discussions. I am pleased to inform you that Tambar Springs Public School is once again able to take new enrolments and the school will continue to be open into next year however, the school will continue through the 'review process' into 2018.

Remembrance Day

As Remembrance Day this year falls on a Saturday, we joined all the Small Schools' at Spring Ridge for a school service for Remembrance Day at 11am on the morning of **Friday 10 November**.

This is a nationally recognised day of commemoration when we pause for one minute of silence to remember the service men and women who gave their lives in wars, conflict and peace operations.

Small Schools' Cricket Day

Our school participated in the Small Schools' Cricket Day at Spring Ridge Public School. The Milo Cricket instructors lead the girls through drills, team batting and fielding. They played three games of cricket and they competed in mixed teams to develop their techniques.

Millie and Georgia playing cricket and developing their own batting style.

School Captain's Report

Intensive Swimming

During this week, over four days, we travelled to Coonabarabran pool to participate in intensive swimming with Premer School.

We had a fun time joining Premer School and learning how to swim. I learnt to do a couple of new things in swimming that I have never done before, Miss Birkett taught me how to dive and do back skull stroke. Mrs Twidale taught Millie a whole lot of new things in swimming also.

We also decided to visit Amarni at her new School and deliver her artworks. Unfortunately she wasn't at school on the day. We hope that we will catch up with her soon. We are all missing her, our dear friend Amarni.

Later that day, Mrs Twidale and Miss Leanda took us girls to the bakery where Mrs Twidale spoilt us with hot chocolate and cakes. Yummy! It helped us to warm up because we were freezing from swimming. Thank you, Mrs Twidale.

Visiting the Coonabarabran Information Centre

Tuesday this week we visited the Coonabarabran Information Centre after swimming, to experience the Diprotodon Dinosaur bones.

Where we learned some fun and exciting facts about this fossil, which came from our local area in Tambar Springs. We also learned about the importance of Aboriginal artefacts.

by Georgia.

Today's swimming session was cut short due to rain, we hope to catch up on today's missed lesson possibly next week and visit the Crystal Kingdom as well.
