Tambar Springs

Public School

Newsletter

Week 1 Term 2

During the past fortnight our school has experienced being a part of the 'COMMUNITY'. I am highly impressed with the dedication displayed by my teachers and staff. They continually go 'above and beyond' their duty to ensure our students are given the best opportunities to develop their skills across a broad range of experiences.

Our students have participated in the ANZAC Day service, Tambar Springs Market day, selling raffle tickets and our School Captain was an active member of the GRIP leadership Conference. All of our students have represented their school with pride, respect and honour. Congratulations girls, on being confident and informed citizens.

We would like to congratulate a past student from Tambar Springs School -Shae Panormo in her achievement of "The Young Citizen of the Year Award' Shae 16 was recognised for her involvement in Scouts and as a leader for local youth. Shae is a fine example of community values. Like Shae our students are learning the significance of community. Our school is doing an absolutely outstanding job in contributing to our community.

Shae Panormo receiving her Young Citizen of the Year Award at the Cessnock Awards earlier this year.

19 Small School's Cross Country

June

9 Athletics with Carroll Public School-Gunnedah

26-30 NAIDOC WEEK

29 Small School's Athletics Carnival hosted by Tambar Springs Public School

Tambar Springs ANZAC Day Service

On Tuesday the 25th April, our school attended Tambar Springs ANZAC Day March and commemoration service. Our beautifully presented students proudly led the march through the park to the historic Cenotaph where they participated respectfully in the moving service which was lead by Tambar's own Carol Lees. Our School Captain, Georgia, was honoured with the responsibility of raising the flag during the Rouse, and lead Millie and Amarni in the laying of the wreath on behalf of the school. We received many compliments of our students

from members of their community, and we are very proud of the respectful manner they displayed as they participated in the commemoration. The staff and greater Tambar Springs Public School community would like to express our grateful thanks to all past and current servicemen and women, and the sacrifices they continue to make in order to sustain the values and way of life we treasure as Australians.

We Will Remember Them

Tambar Springs Market Day

Thank you to the Tambar Springs community for making us feel so welcome at the Tambar Springs Market Day on Saturday 29th April. Our Fun4Kids stall was extremely popular and we were able to raise funds which will go towards the Cubby House which is being ordered for our playground, and also to help fund our School Captain's excursion to Canberra.

FUND RAISING

We have raised \$430 with our Firewood raffle and Fun4Kids Market Day Stall.

Congratulations to Sue Fouracre, who won our firewood raffle, we hope you enjoy your toasty toes this Winter!

New Look School Sign

This week we excitedly witnessed the installation of our modern, new school sign, to the front of our school. The design is based on Tambar Springs Public School's heritage, with the traditional crest and motto proudly displayed. In addition to heralding that the school has been educating the district since 1880 (of which we are immensely proud), the sign also nods to our commitment to prepare our students for their futures. The latest design element on the sign is the horizontal wave which can be seen across the sign, which signifies the mountains which are such a spectacular and prominent backdrop to our beautiful school. We hope the sign provides a sense of pride and belonging for students and the greater community for many years to come.

GRIP Leadership Conference

(Georgia Nelson)

On Tuesday the 2nd of May Miss Birkett and I went to the GRIP Student Leadership Conference in Tamworth. I had a great time it was fun. GRIP stands for Generosity, Responsibility, Integrity and People. The five instructors taught us how could we make the school be better by being a good leader who thinks outside the box. We also learnt that we use our own strengths as well as other people strengths for the community and other students and teachers by creating good outside the box ideas.

We also learnt that to be a leader you have to be brave and stand up have a go and don't be afraid or nervous. Although at first it could be a bit scary and nervous but after you get used to it and have a go it is easy. That's why we have confidence. When we got asked to write down what could we do to help the community better, my idea was that to keep the town nice and clean for a good environment. I also would like to thank Miss Berkitt for taking me there. Thankyou so

much, you are always there for us no matter what.

It was a very long day and I was so exhausted and tired when I got home.

Play Group is on at Tambar Springs School!

FORTNIGHTLY

ALL WELCOME

12.30pm 2.30pm
At Tambar Springs School Hall
Feel free to bring a plate to share for afternoon tea.

Term 2 2017 Dates

Monday 15 May
Monday 29 May
Monday 12 June

Georgia's Challenge!

Can you join the 9 dots using only 4 lines? I can!

Working Out
