Term 2 Week 8

### Principal's Message

Dear Parents and Carers,

#### SPORT

Last Friday all children from Tambar Springs Public School, accompanied by Ms Bunce and Mrs Davidson, travelled to Premer Public School by bus for sport. All of the children had great fun joining in with a tennis session run by Mrs Claire Coen. We will be continuing these sessions for sport each Friday until the end of term.

#### GUNNEDAH HIGH SCHOOL TRANSITION

Yesterday, June 20th was the first of several transition days being held at Gunnedah High School for children entering Year 7 in 2019. Our very own Georgia Nelson attended yesterday and despite a few nerves at the beginning had a very enjoyable day filled with lots of group activities where she was able to network and meet other students who will be joining her at Gunnedah High School next year. The next transition will be a half day visit to be held on 5th September, 2018.

#### NAIDOC WEEK

NAIDOC week will be celebrated in Week 10 of this term. The children will be involved in a variety of activities such as indigenous artwork, games, cooking and studying influential indigenous females and their contributions to our culture and society in keeping with the 2018 NAIDOC week theme "Because of her, we can!". All are welcome to join us for our Term 2 Luscious Lunch which will be the highlight of our celebrations (please see flyer for details of the luncheon).

Kind regards,  
Ms Therese Bunce  
(Relieving) Principal

### Healthy Eating & Living Program

In 2018, we are encouraging the healthy eating practices of our students. The Student Council has decided that the Thursday lunch order will continue to be supplied by the Royal Hotel on a fortnightly basis, with the students planning and cooking a healthy meal for the alternate week. The cost of our school cooked canteen lunch will remain at \$5 per student at this time, to cover the cost of ingredients.

Royal Hotel	Thursday, Week 9 (28 June)
Luscious Lunches Week	Thursday Week 10 (4 July)
Royal Hotel	Thursday, Week 1 (26 July)
School Cooking	Thursday Week 2 (2 August)

# Students Recount of Mullaley Zone Cross Country

On Friday the 8<sup>th</sup> of June we went to zone cross country at Mullaley Public School. We went by bus with Mrs Twidale and Mrs Davidson. As soon as we got there we put our bags down somewhere. After that we all walked the running track... Once we got back we just walked around and waited until it was time for our races. First Matthew ran a 2km race with the eights and nine year olds. I could see he was ready for the gun to shoot off and as soon as it did he ran off. I was cheering and cheering until he was off in the distance. When he came back in view I started cheering and cheering again. Once he got to the finish line he told me he came eleventh. It was about half an hour later when it was my turn to race. I was running 2km as well but it was with the tens and elevens. I got ready at the starting line then I was off. There were dips and gullies there were hills and rocks and then I was approaching the finish line. I ended up coming 21<sup>st</sup>. For the rest of the day we waited around to go home. Just before that we had a small awards ceremony. We didn't end up winning anything but it was still fun. After the award ceremony we all hopped on the bus then we went back to school.

By Lachlan

Our trip to Mullaley Zone Cross Country on June the 8<sup>th</sup> Tambar Springs Public School went by bus to Mullaley for Zone Cross Country on Friday. When we got to Mullaley Public School I realised there were more than a hundred students there for the day. We took our bags to the cola and then we sat down and waited for one of the teachers to call us up to get ready to run. One hour later Lachlan was asked to go up to the starting line to have his race. Lachlan felt nervous before the race but out of nowhere it was time for him to run. Mr Conn started the race and all the students took off running as fast as little cheaters. Lachlan went out slow and kept going out faster and faster. When he was finished he told me he came 21<sup>st</sup>! no sooner than that I was called up to run my race. I stood up and was standing in my running position.

Just when I started I shot off like a lightning bolt. After I turned the first corner I over took two other students. No sooner than that I went down a big dip. When I was finished I ran back to the starting line and then got told I came 11<sup>th</sup>! No sooner than that we went back to the bus and drove back to school!

By Matthew

**FINAL OPPORTUNITY**

## FOR SALE

**Panasonic Interactive Panaboard UB-T880**

The school has for sale a *Panaboard UB-T880* which is an interactive whiteboard that uses a projector (not included) to display PC images onto its surface and lets the presenter operate the data on the board with a finger or an electronic pen that works like a PC mouse. It adds an exciting visual element.

*Please discuss with the principal your tender amount by Thursday 5th July.*

**Tambar Springs Public School**
