Principal's Message

Ferry Well Done

The spirit of kindness and compassion is alive and well in Wiseman's Ferry. A most generous initiative was made by our caring coastal counterparts. It will certainly lift the spirits of many families where the ongoing drought has gripped hold of the community. Gary, Andrew and Tim from Wiseman's Ferry have organised a drought relief package for farming families and associated farming business of Tambar Springs. This will include fodder dog food and non- perishable items. The delivery will be at Tambar Springs Hotel on Saturday the 7th December.

Thank you so much!

Healthy Wealthy and Wise.

Fiona from Healthwise visited our students to teach them the importance of looking after their teeth. To do that she showed special brushing techniques and the time you need to replace your brush. It was interesting to see the experiment of what a biscuit does to your teeth. If you haven't a brush handy you can eat carrots apples and cheese to remove the biscuit that can eat away at your teeth. Everyone received a special dental hygiene sample bag. Next week Fiona will be here to consolidate what we have been learning about nutrition. Don't bring lunch on Tuesday as we will be preparing salad wraps.

DATES TO REMEMBER—

- ◆ **Saturday, December 7th**— Wiseman's Ferry Drought Drive
- ◆ **Friday, December 13th**—Presentation Day 10:00a.m.
- ◆ **Wednesday, December 18th** — Luscious Lunch— 1pm.
- ◆ Last day of school for students.

Dental Thoughts

When you eat something sweet you have to eat some fruit, vegetables or cheese.

- Millie

We have to brush our teeth two times a day for two minutes.

- Andrea

You only get one set of grown up teeth after your milk teeth. You can't replace them. So look after them.

- Matthew

You have to eat healthy food all the time. You should only eat sugar foods occasionally.

- Amarni

You need to lift up your top lip to see if your teeth are clean.

- Zac

Matthew demonstrating what happens to your teeth when you eat a biscuit.

Dress Ups

Our school now has some amazing new costumes including doctors, police officers, beautiful bird wings, fire chiefs and capes covered in Aboriginal art.

Important
notes for
our

End of Year Presentation

Our end of year presentation is on next week. Can each family please supply a plate to share for morning tea? We would also like some help to serve tea and coffee in the hall after the concert.

The children will be doing a dress rehearsal next Monday. Can you please send in the black jeans I sent home earlier this year for them to wear? If they don't fit, black leggings / shorts will also be fine. They will also need a black top or a yellow top (ie: shirt or singlet).

The Wiseman's Ferry drought relief group are donating a Christmas present to the children at our school. If you are unable to be at the hotel on Saturday, let me know and I can collect it and put it aside for you.

Thank you. We look forward to seeing you and your family at the presentation on Friday at 10.00am sharp.

Assembly Awards

Amarni, Millie, Andrea, Zac and Matthew with their awards.

CERTIFICATE

STUDENT ACHIEVEMENT

AMELIA NELSON: BEING ENCOURAGING TO HER PEERS AND WORKING HARD TO IMPROVE ADDITIVE STRATEGIES.
