### Principal's Message

What a lovely drop of rain we had on the weekend. Let's hope there's more to come. We have been studying different weather conditions and predict there might be some rain on the way with the recent cyclone activity.

Welcome Jenny Fouracre to our school. Jenny comes with a wealth of experience in all grades and in particular Kindergarten. Jenny will be working on Thursday and Friday. Thank you Jenny for filling this engagement with such enthusiasm.

## Drought

Hot sun

No rain

Tanks empty

So much pain

Dry cracked ground

No birds will sing

Animals' thirst.

Heartbreaking

Matthew McMinn

The ground is cracked  
leaves crumble and tumble away  
They never stay.  
Thirsty koala in the creek.  
Looks to find water  
But the creek hides away  
We just need the water to stay.  
It's time for a flood.

Amelia Nelson

Dry weather cracking the ground,  
Like a crackling fire sound.

My leaves are no longer green,  
I'm the brownest tree you've ever  
seen.

There isn't any water in the creek,  
Oh how I wish the rivers would  
peak.

I can hear a rumbling sound,  
Pitter patter on the ground.

Joint construction. All students

# CIRCUS In aSuitcase

## A Workshop in Circus Skills, Clowning and Acrobalance

Hey there Hoopla The Circus is in Town.

We visited our friends at Mullaley school to watch Charlie Truscott who really ran away to work in the circus. She delivered an energetic fun-filled theatrical performance that captured our imaginations. A juggling workshop and slapstick routine developed a unique clown character in each student. There was time for acrobalance where groups worked together with their bodies to build group pyramids.

# The simplest way

... to keep Easter fun whilst making it healthy.

Easter can mean many things.

## Easter bunny:

- Eat what bunnies eat, try some carrot filled recipes such as 'carrot cake oat biscuits'
- Decorate pancakes with fruit to make a bunny face.

## Easter eggs:

- Paint hard boiled eggs with food coloring - the perfect family activity *and* healthy snack.

## Chocolate:

- Include other sweet treats in celebrations such as 'apple and date bliss balls'

## Family celebrations:

- Check out [healthylunchbox.com.au](http://healthylunchbox.com.au) for recipes the whole family will enjoy.
