Principal's Message

Gunnedah Show

Our students busily worked to produce a display for the Gunnedah Show this year. The theme was GROW. Together with Miss Vanessa, the students all made vegetables and fruit and researched the different Aboriginal foods. They took photos planting, watering, fertilising, weeding and harvesting their crops at school. The display was very impressive thanks to Vanessa and teamwork at Tambar Springs Public School. We have some lovely workers at Tambar Springs which makes it easy for growing things.

Luscious Lunch

Over thirty guests from the local community filled the school restaurant to dine with the students for the Luscious Luncheon. Angel McMinn and her helper Jane McMinn together with students and staff cooked for the community.

The food was restaurant quality! Many asked for the recipe of Chicken Teriyaki and the dessert of sticky rice. The students performed a song and dance for the audience and after dinner everyone stayed for a catch up. It is vital that we connect with our community in these times. The next Luscious Lunch date is set for Wednesday, July 3rd. Menu details will be available as the date gets closer. We hope to see you there!

67th Annual Gunnedah Eisteddfod

Tambar Springs Public School will be attending the Gunnedah Eisteddfod on Monday, June 3rd. The students will all be performing in the Preschool and Infants Section which commences at 2pm. Andrea and Zac will be performing a Humorous Poem in the Kindergarten category while Matthew, Amarni and Amelia will also be performing a Humorous Poem, in the Yr 1 & 2 category. The school will be attending the Eisteddfod for the duration of the day. Parents and relatives are welcome to attend. The entry for adults is \$3. The cost for student entry is covered by the school. If any parents are able to assist with transport, it would be greatly appreciated. A permission note will be sent out soon.

When you are in the war....

By Amelia Nelson

When you are in the war you have to fight well, hide and shoot quickly, run as fast as you can go. Don't give up. Think of other people in the family or in the war. You have to fight to do the job. That's why we go to the park, to think about people who died in the

war. We all love going there to do our jobs. War people love seeing us too. They thank us for the flowers and the songs or poems that we do for them.

Earn & Learn is on again

Winter Uniform

Students are required to wear their winter uniforms as of Monday, May 13th. If you require any assistance with this please let us know.

Woolworths Earn & Learn 2019

It's simple to participate. From Wednesday 1st May until Tuesday 25th June 2019 or while stock lasts, you can collect Woolworths Earn & Learn Stickers on behalf of our school. There will be one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco, and gift cards). Please place the stickers on the sticker sheets provided (we have sticker sheets available at the school) and once the sticker sheets are full, you can place them in the Collection Boxes provided at Woolworths in Gunnedah and Coonabarabran or you can bring them in to our school. These stickers can be used by our school to acquire free educational resources such as musical instruments or sporting gear.

ANZAC Day April 25th 2019

ANZAC Day was a time for remembrance for our school community. Students worked proudly and were respectful during the proceedings. Andrew Campbell played the bagpipes during the ceremony. Carol Lees led the service and recited a poem. Andrea and Matthew McMinn are pictured wearing their late grandfather's medals, who served in the Second World War for the Pacific operation area with Royals Engineer. (*Angel McMinn—photos*)
