Term 2 Week 10 2019

Principal's Message

NAIDOC WEEK

NAIDOC Week will be held in the holidays. Our first day back will be Monday, July 22nd. On this day, our students will be going to Mullaley School with Carroll School to participate in a NAIDOC Celebration. Our Staff Development Day will occur on the 21st of August, which will be a pupil-free day and coincides with AgQuip.

LUSCIOUS LUNCHES

Thanks to Head Chef Angel McMinn and her band of helpers, a feast was served despite a threatened power outage. Pumpkin soup and garlic bread was served to 20 locals. Roast chicken with special home grown vegetables and stuffing plus an added course of fruit salad ice box.

Our fine actors provided the entertainment with a puppet performance, displaying a wonderful stage presence. The message of the play was to share and be kind with what little you have. You will be rewarded one day in some form. It is a better feeling to give than receive and our students are very mindful of this. Photos are included in this newsletter.

Have a safe and happy break with your family.

Happy Holidays

Friday, July 26th—

- * National Tree Day

Friday, August 2nd—

- * Jeans for Genes Day

Wednesday, August 21st—

- * Pupil-free day
- * AgQuip

GOLD TO GLEESON

Tom Gleeson lived on a property and went to school at Tambar Springs Public School in the 1980's. There is a landmark in Tambar named after his family as Gleeson's Gully.

Tom bagged the Gold Logie as the most popular television personality last week. Incidentally Tom gave up his time to host a 70's Trivia night at Tambar Hall several years ago to raise funds for the school. A hilarious night was had with buses coming from Gunnedah to witness his quick wit and humorous anecdotes.

Tom reminisced of his time at the tennis courts of a weekend on a black tyre rope swing still strung up to this day on a

Currajong tree at McGills (former home of the Gleeson family). A former teacher at the time said that Tom had that presence even at a young age. This goes to prove small schools do nurture talent.

Jenny Fouracre teaches the kids some Moving in Maths games.

LUSCIOUS LUNCHEON

School Cooking for Lunch - June 26th

The students helped to make Echidna Balls (mince, rice and veggies) for their lunch.

Our wonderful Vegetable Garden!

Debbie picked these huge and unique cauliflowers from our garden!

The students preparing to eat fresh corn picked from their garden.

Students with our General Assistant, Debbie and Scripture teacher, Lesley - enjoying the delicious corn.

A visit from the School Director, Mark Young.
